ABOUT SIGNEDEAL

BUILDING A NEW KIND OF EXPERIENCE

Signedeal Experience Optimizer is an end-to-end Automation Platform, focused to help hotels to improve their customer experience by engaging them in live real-time interactions, aimed to assist and maximize the use of amenities.

ARE YOUR GUESTS TAKING THE MOST?

4

USER EXPERIENCE ENHANCEMENT

1

THE AMENITIES

Hotels generally have a long list of amenities. They feel endless, but there might be something guests are craving that isn't on the lists, or even they don't know that it exists.

REAL-TIME GUIDANCE

No real-time interactions while guests are in the hotel.

2

3

HOTEL OFFERINGS

Lack of knowledge of the different hotel offerings and availability

PRICES FOR SERVICES

Some travelers could find goods and services overpriced.

4

**It is smart of hotels to
add unique life
experience options to
their property.**

Let's see how Signeddeal can help

WHAT SIGNEDEAL DOES

OPTIMIZE EXPERIENCE

IMPROVE

Signedeal engages with your guest to optimize their experience while they are in your hotel

REVENUE

Signedeal boosts the hotel's revenue while their guests spend on more amenities and activities

SUCCESS

Guests experience incredible experience while the hotel increments revenue

SIGNEDEAL EXPERIENCE OPTIMIZER

ENHANCE GUESTS EXPERIENCE

TRACK YOUR GUESTS' PREFERENCES

Collect through this technology basic details like special celebrations, allergies, etc., to ensure your guest feels truly catered for.

ACCURATE GUEST EXPERIENCE

Provide specialized tips, offers, and lots of upselling and cross-selling opportunities.

MAKE IT EASY FOR YOUR GUESTS TO GET IN TOUCH

Connecting with various services allows guests to make requests and get responses in record time.

TOUCH BASE WITH GUESTS PRE-ARRIVAL

You can consider adopting the pre-arrival call or SMS to different types of guests, in addition to the traditional e-mail.

Pre-check-in and special requests will make your guests' stay easier.

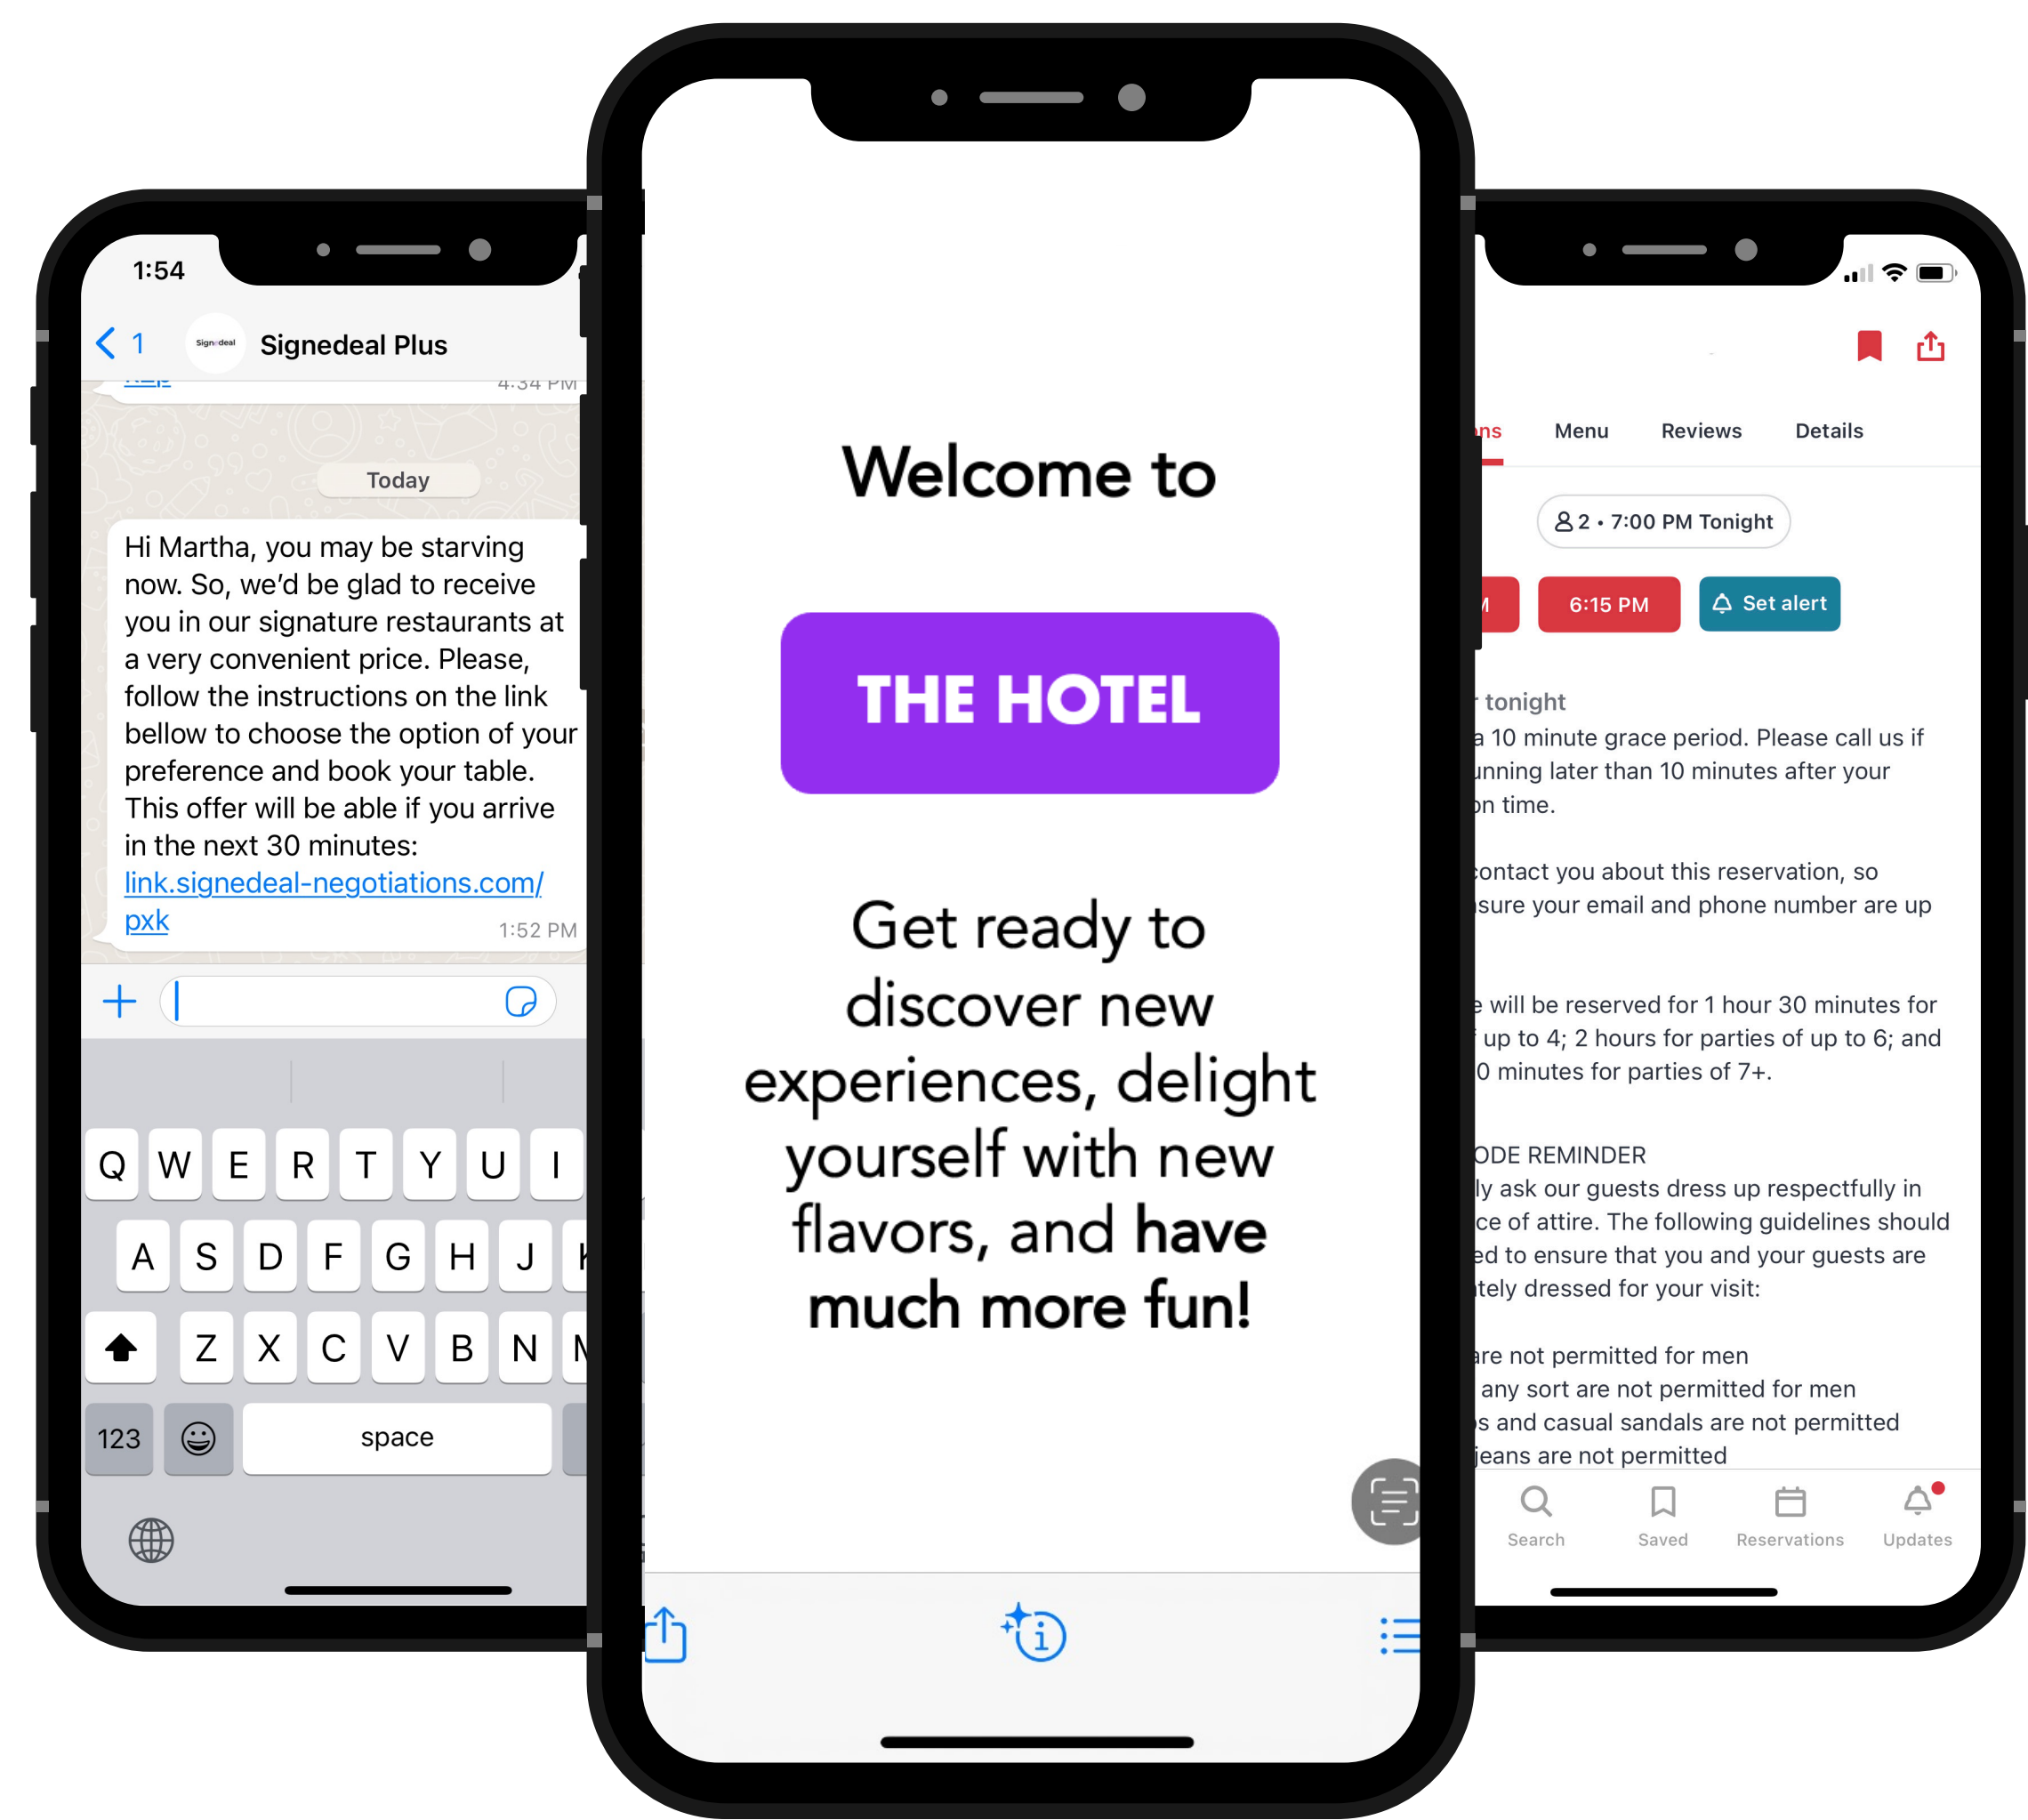

HOTEL EXPERIENCE OPTIMIZER

ENGAGE IN LIVE REAL-TIME INTERACTIONS WITH YOUR GUESTS

MOBILE DEVICES

HOW YOUR GUESTS INTERACT

1 GET REGISTERED INTO SIGNEDEAL

Guests scan a QR code to get subscribed to receive guidance along the staying on the point of its interest..

2 THE HOTEL INTERACTS WITH GUESTS

Real-time interaction allows hotels to guide guests' experiences and resolve their hesitations.

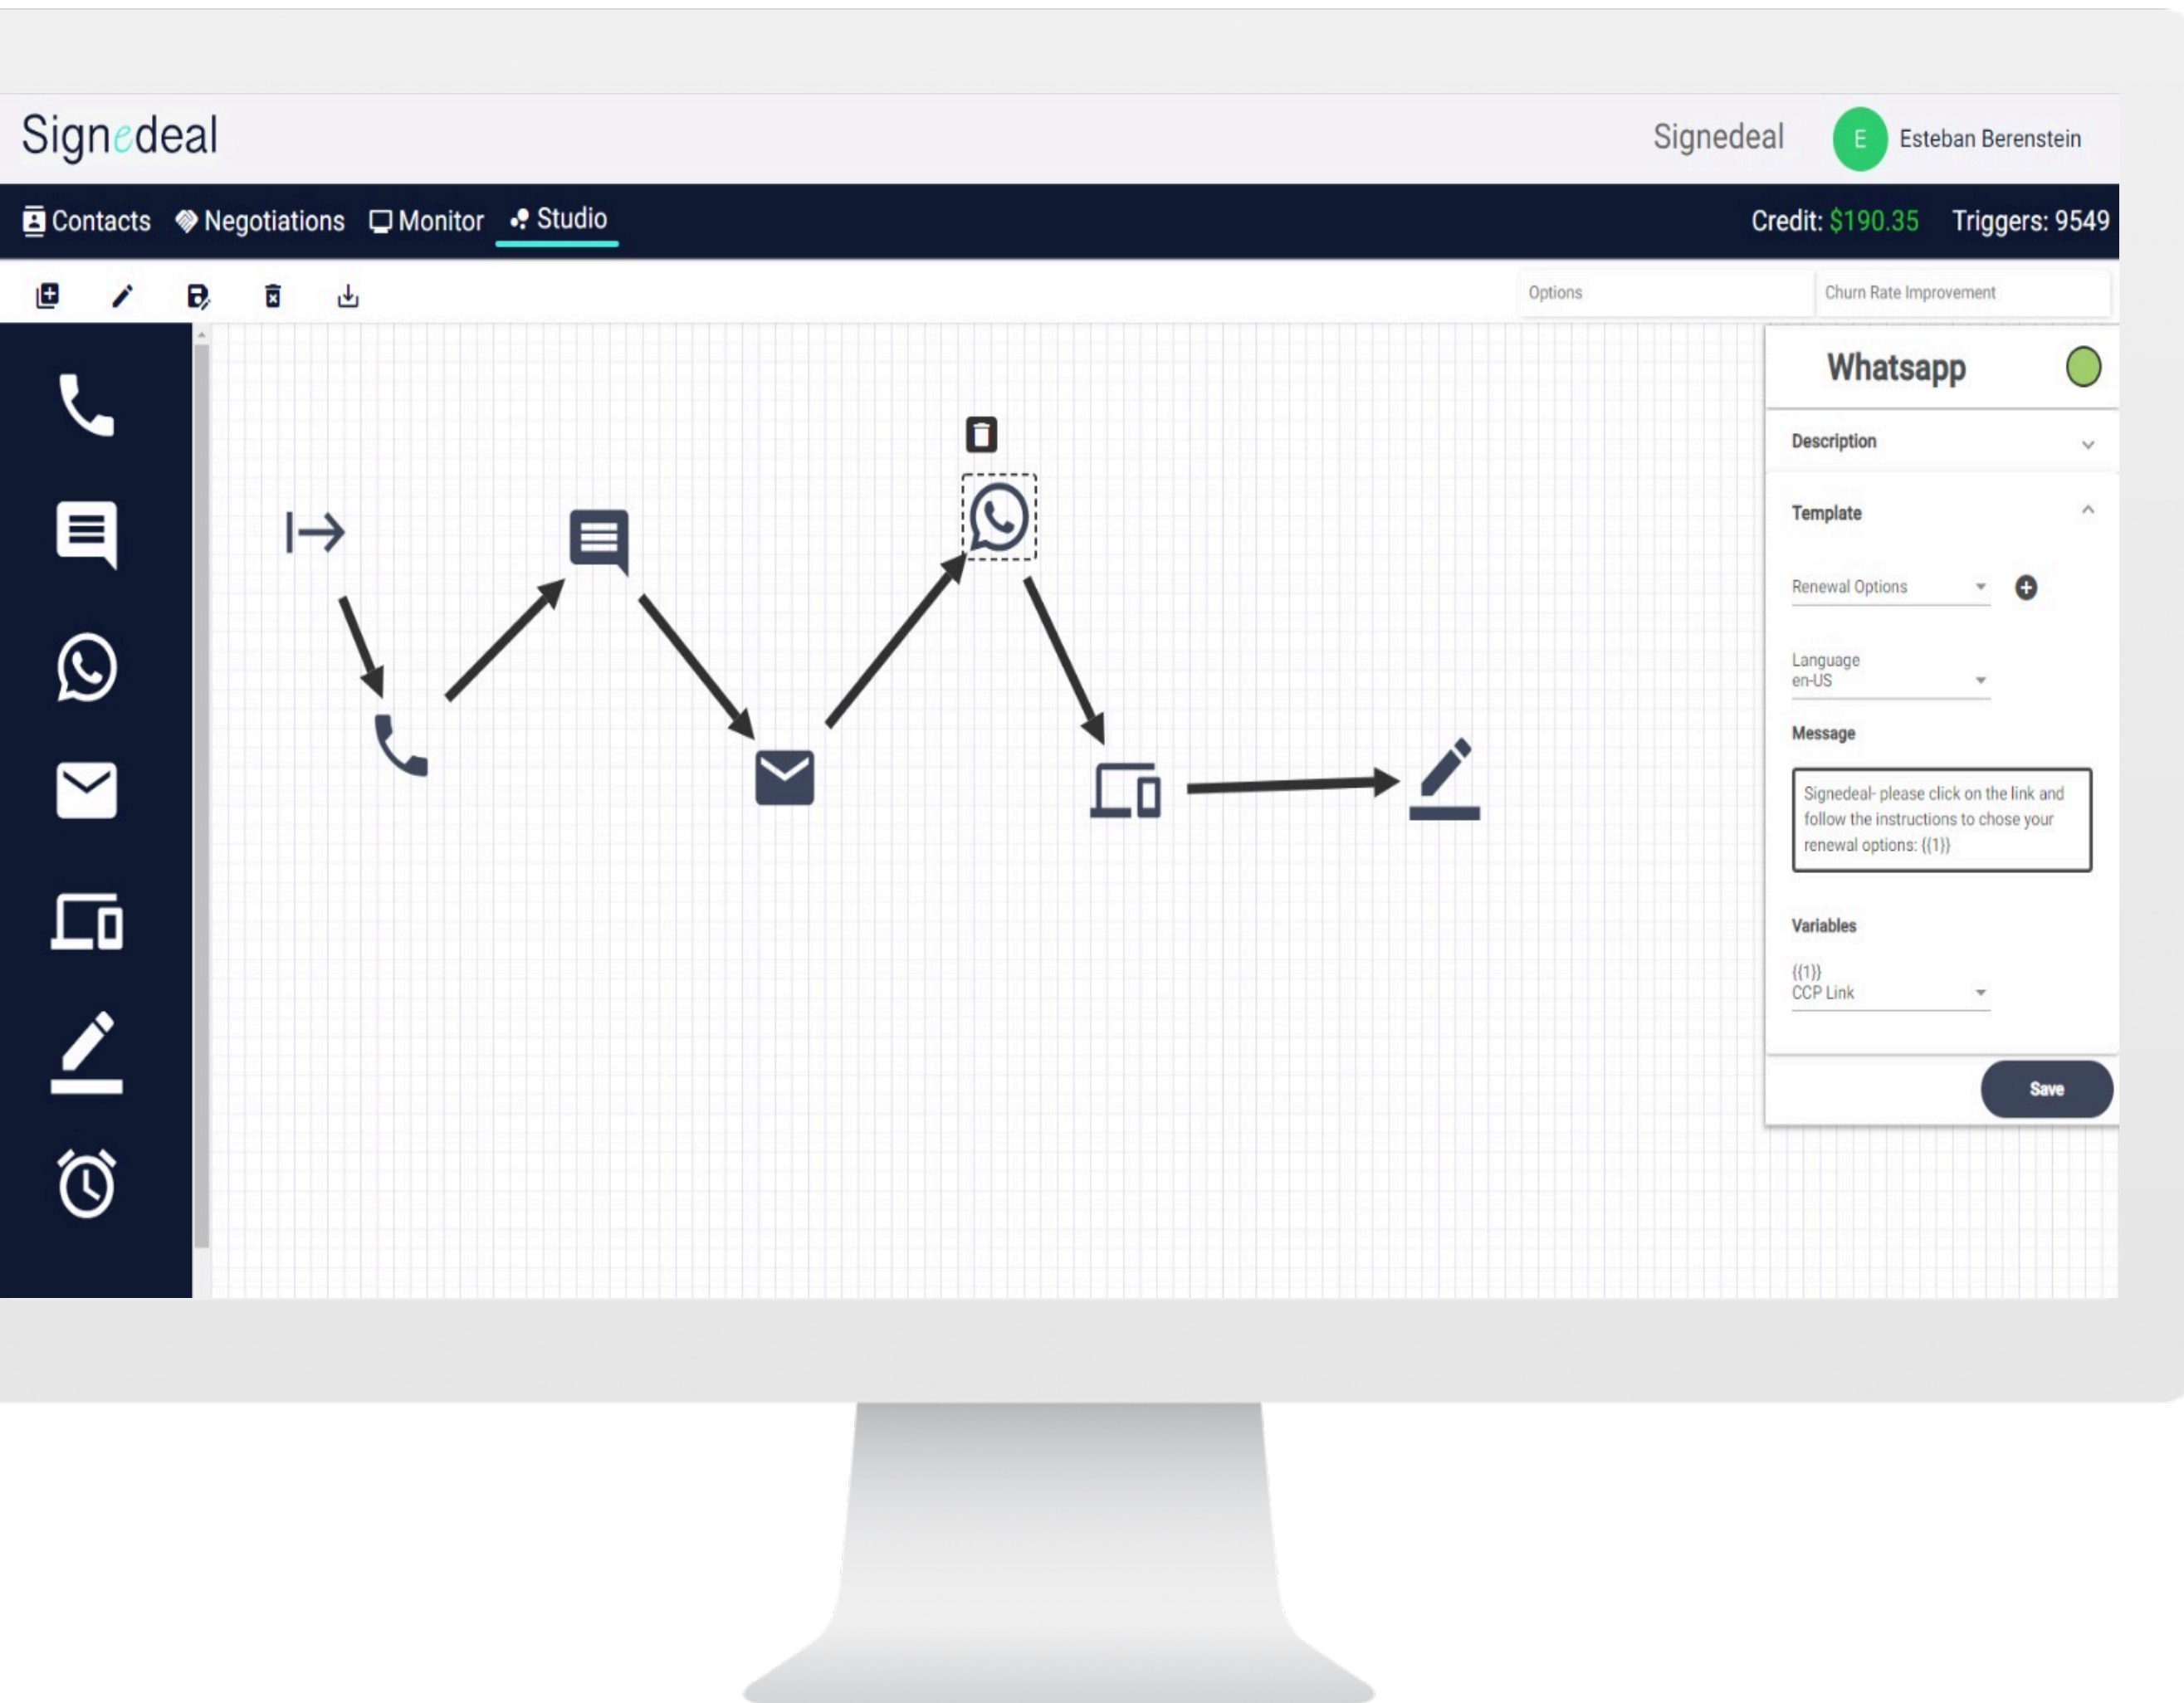

3 GUESTS ENJOY

Guests can now know and enjoy all amenities, shows, reservations, activities, and special offers, among others.

DESKTOP FEATURES

10

DESIGN YOUR GUESTS' ENGAGEMENT FLOW

1 DESIGN YOUR ENGAGEMENT FLOW

Design from end-to-end how your guests are going to be engaged and what specific offers/services will be proposed.

2 ENGAGE AND INTERACT WITH YOUR GUESTS

Feed SigneDeal with the list of guests staying at the hotel and start engaging with them in real-time, guiding their experience at any time.

3 REAL-TIME FOLLOW UP

Now that your guests are engaged, you can track and trace any step on the way to their unique experiences and organize your staff according to the attendance of activities or amenities.
